

*“Four on the Floor”
Special Event Trailer*

Our newest restrooms trailer is custom built for that special outdoor event. The four unit trailer is the perfect answer for weddings, corporate gatherings and black-tie events.

The trailer is equipped with four individual restrooms. Each room has a flushing toilet, sink & vanity, mirrors, light, window and linoleum coverings. It is easily accessible for all ages due to lowness to ground. An awning enhances the lighted pass thru doorway. Water and electric supply is needed for hook-up.
